

UPDATE

ON

ARREST AND IMPRISONMENT OF MR. HAJO IN DAMAZIN, SUDAN

On 25th April 2023, Mr. Hajo and other twenty six prisoners were released from prisons according to an official order (pardon) issued by the governor of Blue Nile state. This was because of the ongoing conflict between SAF and RSF. They were earlier imprisoned on different dates under the emergency law which was still an infringement on their rights.

On 26th January 2023, Mr. Ali Hajo was arrested by a group of Sudan Armed Force (SAF) soldiers and on 27th January 2023, he was taken to prison where he spent three months (3) without appearing before courts of law. He was imprisoned according to the emergency order. The reason for his arrest and imprisonment was that he had written an article on his Facebook account/ page. Based on the emergency order in Blue Nile State, many other people were also arrested because of demonstrating.

On 25th April 2023, the governor of Blue Nile state issued an official pardon order **No. 29 of year 2023**, in which he ordered the release of twenty seven (27) detainees/ prisoners who had been imprisoned under the emergency law. Mr. Ali Hajo (39 years) who is an activist was one of them.

One of the lawyers in Blue Nile talked to **HUDO Centre** saying that: *"we are surprised by the high number of prisoners that we had not recognized and some of these detainees were held in the military prison which is another violation. This can be added to our argument"*.

HUDO Centre is deeply concerned about the security situation and the safety of civilians and calls upon:

- The authorities of Blue Nile State to disclose about any other detainees/ prisoners particularly in the military prisons.
- The authorities in Blue Nile State to compensate those detainees for illegal imprisonment.
